

ADEL Puppy Adoption Application

We want to make sure all of our pups go to committed homes where they will be loved and cared for for years to come. We do our best to produce the best pups and place them in the best homes. To be placed on the waiting list, we require this completed application and a deposit of \$400.00 made out to Gerry Porter. Any deposits made out to Adorable Down East Labradoodles will not be accepted and will be returned.

Deposits are non-refundable and are applied to the total purchase price. You can also send an application without a deposit; it will put you on the list but it will not hold your place in line. The deposit must be received in three business days after you submit the application and it has been approved in order to hold your spot on the list. Once you have been approved and we have received your deposit, we will work with you in choosing a litter, a puppy, and a pick-up date. Most puppies go home the first weekend after they turn eight weeks.
